Ø The CO2 emissions test figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP) . These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. For further information on CO2 and fuel performance please refer to our Fuel Consumption and CO2 section.

The UK market (excluding Northern Ireland) vehicles are tested to the 6e emissions level and the Northern Ireland market vehicles are tested to the 6e-bis emissions level.

† Recommended 'On the road' (OTR) price includes first year road fund licence, DVLA first registration fee £55 and an estimated £25 for number plates.

* Not applicable to retail or private car buyers. BIK values are the monthly taxation payment applicable to company car users. BIK values were correct at the time of printing and are based on taxation rates for 26/27 tax year. P11D value is the sum of Recommended price + VAT & Number plate charge (£25 if a car's list price is over £40,000 (Petrol / Alternate Fuel) or £50,000 (Zero Emissions) including VAT and factory fitted options at first registration, the customer will pay an additional VED charge (£440 from 1st April 2026) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £200).

Effective from 11th September 2026

¹ ST-Line & ST-Line X with Hands-Free Power Tailgate allow installation of aftermarket Detachable Tow Bar, but Hands-Free Power Tailgate function needs to be disabled.

² Additional parts required for Retractable Tow Bar installation: Tow Bar Bolt M6 x 20mm (5209771), Tow Bar Nut M6 x 15mm (2038467), Tow Bar Bolt M6 x 25mm (1797270), Tow Bar Bolt M6 x 16mm (1690589), Trim Pin (5204743)

³ Alternative Roof Boxes are available

⁴ Also available in black

For more information about any of the included Ford Accessories, or to view the full range of Ford Accessories visit www.ford-accessories.co.uk

This price list shows both original Ford accessories as well as a range of carefully selected products from third party suppliers, identified under that third party supplier's brand name. Please note that third party supplier branded accessories do not come with a Ford warranty but are covered by the third party supplier's own warranty, the details of which can be obtained from your Ford Dealer. Fitment of dealer-fit parts and accessories may have an impact on your vehicle's fuel / energy consumption. Prices do not include fitting unless otherwise stated. Please refer to your Ford Dealer for fitted prices.

Effective from 11th September 2026

FUEL CONSUMPTION & CO2

The fuel consumption and CO2 emission figures shown in the table are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load. The figures shown are for comparability purposes; only compare fuel consumption and CO2 figures with other vehicles tested to the same technical procedures.

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO2 emissions which may vary based on optional extras (these are also WLTP test figures).

Engine	Fuel Type	Available On	Euro Emissions	Transmission	Drive	Maximum Power PS (kW)	Torque Nm	Combined Fuel Consumption (WLTP)				CO2 Emissions (WLTP)	
								Lowest Performing (MPG)§	Highest Performing (MPG)§	Lowest Performing (L/100km)§	Highest Performing (L/100km)§	Lowest Combined Performing (Co2)§	Highest Combined Performing (Co2)§

§ The declared Fuel/Energy Consumptions, CO2-Emissions and Electric range are determined according to the technical requirements and specifications of the European Regulations (EC) 715/2007 and (EU) 2017/1151 as last amended. Light Duty Vehicles type-approved using the World Harmonised Light Vehicle Test Procedure (WLTP). The applied standard test procedure enables comparison between different vehicle types and different manufacturers. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel/energy consumption, CO2 emissions and electric range. CO2 is the main greenhouse gas responsible for global warming. A guide on fuel economy and CO2 emissions which contain data for all new passenger car models is available at any point of sale free of charge or can be downloaded under <http://carfueldata.dft.gov.uk>.

The UK market (excluding Northern Ireland) vehicles are tested to the 6e emissions level and the Northern Ireland market vehicles are tested to the 6e-bis emissions level.

§§ For Plug-In Hybrid (PHEV) models, these figures were obtained using a combination of battery power and fuel. PHEV models require an electricity source for charging.

* Estimated range using Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown are for comparability purposes and should only be compared with other vehicles tested to the same technical procedures. Actual range varies with conditions such as external elements like temperature, driving behaviours, vehicle maintenance, and lithium-ion battery age. WLTP equivalent all-electric range reflects a combined driving cycle and WLTP Extra High reflects motorway driving – both tests are conducted in controlled conditions with an ambient temperature of 23 degrees Celsius and no climate or electrical load.

Effective from 11th September 2026

FORD PROTECT

Every new Ford Kuga is protected by a 3 year/60,000 mile Ford Warranty. In addition, it will also come with Ford Assistance for 1 year, providing roadside assistance in the UK and throughout Europe.

Ford Protect New Vehicle Extended Warranty

If you plan on keeping your vehicle for longer than 3 years or are a high mileage driver you can extend your 3 year/60,000 mile warranty to either 4 years/36,000 miles, 4 years/80,000 miles or 5 years/100,000

Features:

- Cover against the cost of repair or replacement of defective parts, or to repair a material, assembly or manufacturing defect recognised by Ford
- Helps protect against unexpected repair bills
- All repairs will be carried out by Ford Authorised Dealers using genuine Ford parts
- Ford Protect New Vehicle Extended Warranty plans can be purchased any time up until the vehicle's first date of registration

Ford Protect Service Plan

You can also purchase a Ford Protect Service Plan giving you the option of scheduled services and Ford Assistance for the duration of your plan.

Features:

- Scheduled Servicing; covers servicing in accordance with Ford Standard Service Schedules including associated parts and labour, for the number of services applicable to your plan.
- Replacement brake fluid (every other year)
- Extended Ford Assistance; roadside assistance in the UK and throughout Europe
- The Ford Protect Service Plan can be purchased up to 24 months from date of registration or before the first service is due (whichever is the sooner)

Ford Protect Wear and Tear Plan

You may choose to purchase a Ford Protect Wear And Tear Plan, which provides replacement or repair of the following parts:

- Brake Pads, Shoes, Disks, Clutch Friction Plate, Shock absorbers, silencer, wiper blades and bulbs
- Must be purchased before vehicle is 90 days old (Terms & Conditions apply)

Ford Protect Service Plan Plus

You may choose to purchase a Ford Protect Service Plan Plus giving you the benefits of the Service Plan and also includes a Wear and Tear Plan (including optional extended warranty for 4 year plans).

Features:

- All items covered within the Service Plan and the Wear and Tear Plan
- Ford Protect Service Plan Plus can be purchased any time up until the vehicle's first date of registration

Notes and Conditions

- The length and mileage of your plan applies from your new vehicle warranty commencement date, usually the date of first registration
- Time and mileage limits apply to all Ford Protect Plans
- Base Warranty on High Voltage Components - 5 years/ 60,000 miles and High Voltage Battery - 8 years / 100,000 miles
- Please contact your nearest Ford dealer for information on service intervals
- It is a condition of Ford Protect Service Plan and Ford Protect Service Plan Plus that your vehicle is serviced by an Authorised Ford Repairer according to the schedules in your Ford Service Portfolio
- In addition your Ford Service History Log must be kept up-to-date
- Subject to the terms and conditions of the Ford Protect Plans
- These Ford Protect Plans are transferable so it is an added benefit to the new owner if you decide to sell your vehicle
- Ask your Ford Dealer for full details of the Ford Protect Extended Warranty, Service Plan, Wear and Tear Plan or Service Plan Plus and their associated Terms and Conditions or alternatively call Ford Protect on 03702 416726, Option 2, Option 2, or visit www.ford.co.uk

K	191-225	25.00	55.00	3,300.00	3380.00
L	226-255	25.00	55.00	4,680.00	4760.00
M	Over 255	25.00	55.00	5,490.00	5570.00

The delivery charge is included in the Basic Recommended Retail Price and is made on all models for delivery to the Dealer's premises. Where delivery is not made to the customer at the Dealer's premises a further charge may be made by the Dealer.

The Vehicle Excise Duty (VED) charged on new cars is based on their engine's CO₂ emissions* (expressed in grams per kilometre (g/km)). All CO₂ emissions figures in g/km are derived from the Worldwide Harmonised Light Vehicle Test Procedure (WLTP). These figures may not reflect real life driving results, which will depend upon a number of factors including the accessories fitted, variations in weather, driving styles and vehicle load.'

You can also use Ford's online configurator to build and customise a new Ford vehicle: www.ford.co.uk/configurator. The configurator provides information about your configured vehicle's fuel consumption and CO₂ emissions (these are also WLTP test figures).

The chart above shows the Bands and the VED which will be levied for vehicles registered from 1st April 2026 onwards.

If a car's list price is over £40,000 (Petrol / Alternate Fuel) or £50,000 (Zero Emissions) including VAT and factory fitted options at first registration, the customer will pay an additional VED charge (£440 from 1st April 2026) for five years after the end of the first registration (in addition to the standard VED charge per year, currently £200).

Effective from 11th September 2026

OTHER PRICING CONSIDERATIONS

Customer Order Price Protection

Ford's Price Protection Plan means that the price you pay is the same as the price on your order as long as you are prepared to accept delivery within six months, and in any event, as soon as your vehicle is available. Ford Motor Company Ltd is not liable for changes in price caused by Government changes in tax rates or changes in other applicable legislation.

VAT

VAT is shown calculated at 20%. The total price of a vehicle, including factory fitted options and accessories fitted by the Ford Dealer, will be subject to VAT on retail sale.

Price Changes

This price list outlines Ford's Recommended On The Road (OTR) prices and Recommended Retail Prices (RRP), please contact your Ford dealer for final sale prices.

This price list is effective from **11th September 2026** and supersedes all previous price lists. The recommended prices in the publication were true and accurate at the time of printing. You should, however, check details with your Dealer as there may have been changes to Ford's recommended prices in view of Ford's policy of continuous development. Ford reserves its right to change its recommended prices at anytime. Change to government legislation or tax changes could result in a change to Ford's published recommended prices.

ILLUSTRATIONS, DESCRIPTIONS AND SPECIFICATIONS

The product information in this publication was correct at the time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications and colours of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer. Throughout this publication, wherever a feature is described as being an 'Option' or 'Option Fitment/Pack' etc., you should assume that it will be at extra cost to the base vehicle, unless specifically stated to the contrary. All models and colour combinations are subject to availability. Some images portrayed are of a pre-production model and/or are computer generated, therefore the design/features on the final version of the vehicle may differ in various respects. In addition, some of the features shown on the vehicles may be optional e.g. metallic paint.

Please also note some driver assistance features and safety features described in this publication are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions.

Effective from 11th September 2026
